OCTOBER 1, 2008

IN RE: Application of Family, Inc. d/b/a C & C) ORDER APPROVING
 Moving Service, 803 Main Street, Myrtle) RATE INCREASE
 Beach, South Carolina 29577 (District 1) for)
 a Rate Increase)

This matter comes before the Public Service Commission of South Carolina (the Commission) on the application, filed July 30, 2008, of Family, Inc. d/b/a C & C Moving Service (C & C Moving or the Company) for an amendment in the Company's schedule of charges, pursuant to 26 S.C. Code Ann. Regs. 103-190, et seq. C & C Moving presently holds a Class E Certificate of Public Convenience and Necessity to transport household goods in South Carolina.

C & C Moving requests to amend the Company's current tariff related to fuel costs on file with the Commission as follows:

Page 14: Rule 101: 60 Mile Radius from C&C Warehouse, 803 Main Street, Myrtle Beach, South Carolina 29577 - \$98.00/Hour.

Upon receipt of C & C Moving's application, the Commission's Docketing Department instructed the Company to publish, one time, a Notice of Filing in newspapers of general circulation in the areas of the state affected by the Application. The purpose of the Notice of Filing was to inform interested parties of the Application of C & C Moving and of the manner and time in which to file the appropriate pleadings for

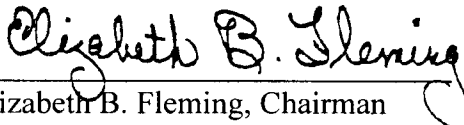

participation in the proceeding. The Company complied with this instruction and provided the Commission with proof of publication of the Notice of Filing. No protests or Petitions to Intervene were received.

The South Carolina Office of Regulatory Staff (ORS) completed an audit and impact study of the proposed rate increase of C & C Moving. Based on the current tariff and the actual financial results provided by the Company for the year ended December 31, 2007, ORS calculated a coverage ratio of 97.77 percent. Based on the data examined for the twelve months, ORS advises a tariff increase would result in a coverage ratio of 88.51 percent and additional revenue of \$17,009.55 for the twelve months studied.

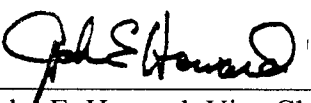

We have considered the application and in view of the results of the ORS impact study, we conclude that the increase proposed by C & C Moving is just and reasonable. Accordingly, the application for an increase of C & C Moving is approved as filed.

This Order shall remain in full force and effect until further order of the Commission.
